

FROM THE EDITORIAL BOARD – INFORMATION AND ACKNOWLEDGMENTS

In this special issue of “*Diametros*” – An Online Journal of Philosophy, we publish a series of articles dedicated to the topic “The Moral Philosophy of Thomas Aquinas and Contemporary Practical Ethics.” This publication relates to a research project, titled „The Moral Philosophy of Thomas Aquinas and its Significance to the Polish Culture,” carried out within the framework of the National Programme for the Development of the Humanities (Narodowy Program Rozwoju Humanistyki). The editorial process has been subsidized by the funding received for the realization of this project.

The thirty-eighth issue of “*Diametros*” closes another publishing year of our quarterly journal. As in every December issue, we set aside our customary anonymity to give heartfelt thanks to all registered referees – both in Poland and abroad – who took the trouble of reading and evaluating this year's articles. We therefore extend our gratitude to:
